政纯办是“政治纯形式办公室”的简称，是由洪浩、肖昱、宋冬、刘建华、冷林组成的艺术小组，在 2005 年创立“政治纯形式”概念，并以集体创作的方式进行工作。政纯办面向世界，聚焦精神世界的建设，将政治生活、文化生活、经济生活和日常生活等等纯形式化，模糊界限，将思考，讨论，足迹，享乐和思想等形成形式，构筑“政治纯形式”概念。2005 年政纯办在北京公社举行了第一次展览《只有一面墙》。2006 年政纯办在悉尼的 ARTSPACE 展出。2007 年政纯办参加德国第十二届卡塞尔文件展媒体项目《艺术世界：纸上展览“政治纯形式”》。政纯办的足迹及讨论遍及工厂、农村、学校、革命圣地、名胜、工作室、画廊、博物馆、运动场、车站、码头、机场、酒店、餐馆、酒吧、茶舍、澡堂、娱乐场所、商场和地摊。

Polit-sheer-form, Office

Polit-Sheer-Form Office (PSFO) is an art group founded by artists Hong Hao, Xiao Yu, Song Dong, Liu Jianhua, and curator and critic Leng Lin in 2005. PSFO concern themselves with the world and focus on the construction of the mental world. They think, talk, travel around and have fun, etc., trying to transform the political, cultural, economic life and everyday life into pure forms by their boundary-blurring practice. In 2005 PSFO had their first exhibition Only One Wall at Beijing Commune, and in the very next year, it travelled to Art Space, Sydney. In 2007, PSFO was taken by the media project "Art World: Polit-Sheer-Form, the Exhibition on Paper" run by the Art World magazine to the 12th Kassel Documenta. PSFO carry on their discussions in various places they've spent their time together, such as factories, farms, schools, famous sites of China's civil war, places of interest, artist studios, art galleries, museums, sports sites, railway stations, docks, airports, hotels, restaurants, tea houses, bathhouses, recreation centers, departments stores and temporary stalls.
